Subject: Contract OM-5400

Attached please find our Invoice No. 15421, which covers the work on the subject contract from 29 August to 15 September 1959, and Invoice No. 15571, which covers the work under the same contract from 16 September to 30 October 1959. The reason for the submission of two invoices in this manner is that we set up two separate orders internally at your request for security reasons.

Also included for your files is a copy of the final engineering report on the subject contract which covers the period from 10 September through 30 October 1959.

Our final claim, including patent and royalty reports, residual inventories, etc., on the above contract will be submitted in approximately ninety (90) days.
